**Hartford Life and Accident Insurance Company** (A stock insurance company)

Home Office: Hartford, Connecticut • Phone: 877-320-0484

## EXTENDED CONTINUATION INFORMATION

If you are enrolled in coverage in a group accidental loss of life and severe injury benefit plan (accidental death and dismemberment) offered by an employer (or other group) that includes an “Extended Continuation” provision, we have good news!

Your coverage pays cash benefits for accidental loss of life, limb and other specific severe injuries that can help you and your loved ones manage expenses and carry on with productive lives following a covered accident. When a qualifying event occurs under your group plan (as defined by the group policy(ies)), you have the option to continue this valuable coverage by paying premiums directly to The Hartford.

All you need to do to continue coverage is complete the “Extended Continuation Request Form for Accidental Loss of Life and Severe Injury Benefits (Accidental Death and Dismemberment)” that follows. Return the form along with a check or money order for the premium due.

Extended continuation is only available for the coverage type(s) that you were insured for under your group plan. **Your request form and initial premium payment should be submitted within 31 days from the date insurance under the group policy(ies) would otherwise end.** An extension of the request period is available in certain circumstances. In any event, a request for continuation received more than 91 days after insurance under the group policy(ies) would otherwise end are not allowed under the terms of the policy.

We look forward to keeping you protected and thank you for your business!

### ASKED & ANSWERED

**Who is eligible?** Anyone insured under the group policy(ies) at the time of the qualifying event is eligible under the extended continuation provision, subject to the following: 1) the primary insured under extended continuation must be younger than the termination age of the plan to be eligible; and 2) your dependent child(ren) must satisfy the dependent child definition of the policy to be eligible. Your coverage tier may change (from what you had as an active employee/member under the plan) based on who is eligible when you request extended continuation.

**Who is the “primary insured?”** If the employee/member under the group plan is eligible to request continuation, then the employee/member is the primary insured under the extended continuation provision. If the spouse/partner under the group plan is eligible to request continuation (in the event of divorce/legal separation from or death of the employee/member), then the spouse/partner is the primary insured under the extended continuation provision.

**When does this insurance under the extended continuation provision begin?** If you are eligible and request and send premium, insurance under this provision is continued as of the first day of the month following the day insurance under the applicable group plan would otherwise end. Your premium payment is applied from this date. Please see the applicable policy for additional information.

**When does this insurance under this provision end?** This insurance will end when an insured person no longer satisfies the eligibility conditions, reaches the maximum duration of coverage for extended continuation, or when the primary insured reaches the termination age, of the applicable policy. Please refer to your certificate as to when and under what circumstances your insurance will end.

**Am I guaranteed coverage?** This insurance is guaranteed issue coverage – it is available without having to provide information about your or your family’s health.<sup>1</sup> All you have to do is request the coverage to remain insured. Certain eligibility restrictions apply.

**How do I pay for this insurance?** Your initial premium payment is payable via check or money order at the time you request continuation, as indicated on the request form. Upon receipt of subsequent bills, you will have the option to continue receiving paper bills and paying via check/money order, or you can choose to have future premiums paid with automated bank draft.

**Where do I get a copy of my certificate(s)?** The certificate that applies to each coverage is the same certificate that is in effect for the group plan. Please contact the benefits administrator of your former employer/group to request a copy. If you are unable to get a copy from your former employer/group, you may call us toll-free at 877-320-0484 for assistance.

## **BENEFICIARY DESIGNATION**

To ensure our records are current, we recommend that you complete and submit a new beneficiary designation form for any continued insurance that allows a beneficiary designation. **This new beneficiary designation will supersede any previous beneficiary designation on file with the Policyholder.** In the unfortunate event of your death, maintaining a current beneficiary designation ensures that any benefits due and unpaid to you at the time of your death are distributed as you intend. A beneficiary designation form is included in this form package for your convenience. Please note that not all policies allow for a beneficiary designation. Please refer to each applicable certificate for clarification.
